

## **Suet Cakes** (from Walt and Aurie Baldwin)

### **Ingredients**

2 cups peanut butter, smooth or crunchy  
2 cups lard  
4 cups quick oats  
4 cups stone ground corn meal  
2 cups sugar

### **Directions**

Mix peanut butter and lard in a large bowl until combined. Add the remaining ingredients and mix by hand until well mixed. Place in a 13 X 9-inch baking pan and flatten. Chill until solid. Cut into sections. This size makes 6 blocks that will fit in wire suet feeders.

The birds really love this recipe and will flock to your feeders!!!
